

Declaration of installation

(According to Appendix II Part 1 Paragraph of the EG-Machinery directive 2006/42/EG)

We declare that the product specified below conforms to the following basic health and safety regulations according to Appendix I of the EG Machinery directive 2006/42/EG.

Appendix I General principles, Appendix I Chapter 1.1.2, 1.1.3, 1.1.5, 1.3.2, 1.5.1

The commissioning of an incomplete machine is prohibited until it can be confirmed that the "machine" into which the incomplete machine is to be installed conforms to the EG-Machinery directive and the EG-Conformity declaration according to II A (B) is confirmed.

The technical documentation for these incomplete machines was made according to Appendix VII Part B. The manufacturer is obliged to electronically forward the relevant technical documentation for the incomplete machine to national authorities on justified request.

EU Guidelines:

Machinery Directive 2006/42/EG
Environmental guidelines ROHS2011/65EU/2015/863/REACH1907/2006EG

Standards and Regulations:

Protection class via housing VDE 0580
Electromagnetic devices and components EN 60529

Herewith we inform you, as a manufacturer of electromagnets according to article 33 of the REACH regulation (regulation (EC) no. 1907/2006), that isolated in products lead (Pb) in concentration over 0.1% can be contained in our electromagnets and therefore ask for information.

Product: Anker, kpl.
GTX050.000101

Manufacturer:

Kendrion (Donaueschingen/Engelswies) GmbH
Industrial Magnetic Systems
August-Fischbach-Straße 1
D-78166 Donaueschingen

Documentation authorisation:

Dipl.-Ing. (FH) Andreas Stadler
Kendrion (Donaueschingen/Engelswies) GmbH
