

CERTIFICATE

Product Conformity

*Cofem, s.a., fire protection manufacturer and
ISO 9001/2015 certified by AENOR, exposes that:*

Carbon Monoxide Detection System "COsensor",

Composed by

Detectors with reference SCO

and

Control Panels with reference MCO.

*Are manufactured according to the requirements of Electromagnetic
Compatibility European Directive, EMC, **2014/30/EU** and Low
Voltage Directive **2014/35/EU**.*

*And homologated by AENOR,
under certificate number E20/000001,
as manufactured according to **UNE 23.300**
"Carbon Monoxide Detection equipments for measurements".*
